

A Guide to
NO OR LOW PAY
COMMUNITY HEALTHCARE
IN ORLEANS PARISH

The Mayor's Office of Cultural Economy
CITY OF NEW ORLEANS
Mitchell J. Landrieu, Mayor

A message from Mayor Mitch Landrieu:

In keeping with my commitment to improve the quality of life for the citizens of New Orleans, I am pleased to present this collection of low and no pay healthcare resources available throughout Orleans Parish. Working with a network of partners, my administration has secured state and federal funding for New Orleans' primary healthcare clinics. This shared effort has led to better, neighborhood-based care for low income, uninsured and other vulnerable resident populations in our city.

The Mayor's Office of Cultural Economy works with cultural businesses and workers, who fuel our city's tourism industry and our creative economy. This Guide provides details on low and no pay healthcare resources such as programs waiving or significantly reducing out-of-pocket healthcare costs, community healthcare clinics located around Orleans Parish, and mobile healthcare units supplementing services available through traditional healthcare centers. Through this initiative, the Office of Cultural Economy hopes to better serve cultural workers such as performers, hospitality personnel, artisans, and more, who may not have access to employer health insurance.

As a city, we can improve the health of our population, and our aim is to ensure delivery of affordable, quality healthcare services for all residents. I invite you to use this valuable information to help enhance your health knowledge, make informed health choices, and have the resources to take the necessary steps to improve wellness outcomes for yourself, your family and loved ones.

Yours,

A handwritten signature in black ink that reads "Mitch". The signature is stylized and cursive.

Mitchell J. Landrieu, Mayor
City of New Orleans

SERVICES, PROGRAMS, CLINICS & ORGANIZATIONS

This section provides information about programs, clinics and organizations that afford uninsured and low income New Orleanians with quality healthcare at low or no out-of-pocket expense including:

- Community Healthcare Clinics
- 504HealthNet
- GNOCHC Medicaid Waiver
- Medicaid
- Medicare
- Mobile Healthcare Units

Enrollment in these noted programs is available through most of the New Orleans area healthcare centers featured in this brochure. For best results, it is recommended that you call ahead to get details about signing-up. For more information about other healthcare centers and programs, see the Additional Healthcare Resources & Contributors as well as Clinics & Services Particularly for Cultural Worker, both listed at the end of this Guide.

COMMUNITY HEALTHCARE CLINICS

Today in the New Orleans area, there are more quality community-based medical clinics than ever before, including more than 90 sites located across Orleans, Jefferson, Plaquemines and St. Bernard parishes—all run by names you know and trust. You and your whole family, from your parents to your kids, can now make an appointment to see their own doctor and spend less time in the emergency room. Most of the medical centers listed in this brochure and on the website accept private and public health insurance, or payments can be made on an income-based sliding fee scale. It is quality healthcare everyone can afford. For more information contact:

504HEALTHNET

504HealthNet is a network of healthcare providers in the greater New Orleans region. The organization's members independently operate more than 40 service locations throughout the New Orleans metro area, ranging from primary care and behavioral health sites to medical mobile units. Collectively, member organizations provide care for approximately 80,000 patients.

GREATER NEW ORLEANS COMMUNITY HEALTH CONNECTION (GNOCHC)

NOTE: This information has been obtained directly from the Louisiana Department of Health and Hospitals GNOCHC Application.

The Medicaid waiver, referred to as the Greater New Orleans Community Health Connection—or GNOCHC—will cover many Louisiana patients' primary care visits at no out of pocket cost.

Who is eligible?

People eligible for GNOCHC must meet the following criteria:

- 19-64 years of age
- Live in Orleans, Jefferson, Plaquemines or St. Bernard Parish
- 200% below the poverty line (Income Limits through March 31, 2011: Family of 1, \$451 weekly income, \$1,805 monthly income; Family of 4, \$918 weekly income, \$3,675 monthly income; Family of 8, \$1,542 weekly income, \$6,169 monthly income)
- Uninsured for the past 6 months
- U.S. citizenship or permanent residency

NOTE: You must meet ALL criteria in order to be eligible

To apply, you **MUST** provide:

- Proof of income (Copy of most recent W2, Filed tax forms, Most recent pay stubs, Unemployment award letter, Social Security/Disability award letter, Food stamp award letter)
- Government issued photo ID – if current address is not on ID, a utility bill must be provided.
- Birth certificate or US permanent residency card

What does this mean?

Those eligible for the waiver will pay for services at the clinic—there will be no charge. This includes both costs and vaccines.

What if a patient is not eligible?

If a patient does not meet the eligibility criteria, they will be charged the Sliding Scale fee rate that is currently in place. We are unable to accept stated incomes or notarized letters for fulfilling the Waiver eligibility criteria.

MOBILE HEALTHCARE UNITS

The Greater New Orleans Mobile Health Unit Consortium is a collaborative of health providers who deliver services in a mobile setting. Our goal is to ensure that each provider team is able to connect people to resources in their community and to deliver high-quality health services in areas where there is limited access to care. The mobile units form a diverse group of services including: pre-natal care, dental care, primary care, behavioral health, fitness, and immunizations. To find the nearest mobile unit location and schedule check the listings in this Guide with phone numbers included or contact:
